Adds the following content.

Section 11.

Specifies that that person must be a resident of the district and a qualified voter. Provides that members take office and qualify on the first Monday in December of the year of the election and that they serve until a successor has been elected and qualified. Removes outdated language.

Provides for a method of establishing the single-member residency districts by resolution. Provides population requirement of within 5% of one-seventh of the total population of Johnston County per single-member residency district. Prevents the Board from reducing the term of office of any elected member of the Board when establishing those boundaries. Directs that the residency districts should only be revised to correct population imbalances after each federal decennial census. Directs the Board to draw said boundaries by no later than November 17, 2023, to be used in the 2024 elections. elect the Johnston County Board of Commissioners will be used to elect the Board until the return of the 2030 federal decennial census.

Section 13.

Repeals Section 2(c) of SL 2020-19 (setting forth initial members of the Southeast Regional Airport Authority [Authority]). Amends Section 2(b) of SL 2020-19 to extend Authority member terms from two years to four years. Makes conforming changes to account for deleted Section 2(c). Now specifies that if a person is appointed to fill a vacancy and there are at least two years (was, one year) remaining on the unexpired term, that that term counts towards the number of successive terms an Authority member may serve.

Specifies that the current terms of the Authority members expire on December 31, 2023, and allows for their reappointment so long as the appointment complies with the membership requirements set forth below. Specifies that for appointments beginning on January 1, 2025, the Authority members must be as follows: (1) three registered voters of the City of Laurinburg appointed by the Mayor of the City of Laurinburg, one of whom will serve for a term of one year, one of whom will serve for a term of two years, and one of whom will serve for a term of three years; (2) three registered voters of the Town of Maxton appointed by the Mayor of the Town of Maxton, one of whom will serve for a term of one year, one of whom will serve for a term of two years, and one of whom will serve for a term of three years; (3) one registered voter of Scotland County appointed by the chair of the Scotland County Board of Commissioners, who will serve for a term of four years; and (4) The Scotland County Economic Development Director, who will serve as an ex officio nonvoting member. Allows for these Authority members to be appointed to two successive four-year terms and specifies that the initial terms set forth above will not be counted when determining the number of successive terms served. Provides that thereafter, members must be appointed to the Authority as provided for in SL 2020-19, as amended by the act.

Amends the real estate powers of the Authority set forth in Section 4 of SL 2020-19 to now allow the Authority, notwithstanding the provisions of GS Chapter 160A, Article 12, to convey by private negotiation and sale, or to lease for a term of more than 10 years without it being treated as a sale, under the terms and conditions it deems proper, any or all of its right, title, and interest in Authority real or personal property (was, to sell, lease, or otherwise dispose of real or personal property belonging to authority so long as it followed the procedures provided in GS Chapter 160A, Article 12).

Section 14.

Expands the scope of Section 23 of SL 1965-988, as amended, (creating rural development authorities) to authorize Transylvania County to create a Rural Development Authority. Makes a technical change.
